1. Moot Court Club

DOMAIN

Legal advocacy & courtroom simulation

PURPOSE

To train students in the practical skills of legal advocacy — including memorial drafting, legal research, and oral argumentation — through simulated court proceedings.

OBJECTIVES

- To provide students a platform to develop courtroom advocacy and procedural skills
- To prepare and field student teams for inter-college and national moot court competitions
- To build research, drafting, and argumentation skills that complement classroom legal education

EXPECTED OUTCOMES

Students gain practical advocacy experience, stronger legal research and drafting skills, and exposure to competitive mooting — strengthening the college's profile at inter-college and national moot competitions.
