

THE MENTAL HEALTH & WELL-BEING MONITORING COMMITTEE

(Academic Year 2025-26 to 2026-27)

1. Introduction

In accordance with BCI & UGC Guidelines on the Uniform Policy on Mental Health and Well-Being for Higher Educational Institutions, Sarvajanik College of Law is establishing an institutional framework to promote student well-being, early distress intervention, and crisis management.

The structure features a two-tier mechanism:

- **Mental Health & Well-Being Monitoring Committee (MHWBMC):**
Oversees governance, policy enforcement, and regulatory reporting.

2. Vision

To create a supportive, empathetic, and psychologically safe academic environment at Sarvajanik College of Law where mental health is integrated with legal education, empowering law students and staff to achieve holistic well-being and professional growth.

3. Mission

- **Proactive Wellness:** Promote awareness, destigmatize mental health discussions, and build emotional resilience among legal scholars.
- **Accessible Professional Care:** Deliver confidential, professional counseling and crisis support.
- **Empowered Mentorship:** Equip faculty members and peer supporters through gatekeeper training to detect distress early.

- **UGC Compliance:** Maintain 24x7 helpline connectivity and report anonymized data through the UGC MANAS-SETU portal.
